

## Noah

Noah has huge devil horns glowing up in the dark. Noah looks like an evil person with red and black clothes, but the way he acts will totally surprise you.

When something bad happens, he is actually a nice person, just with sharp weapons. He is also a nice during the day. He has a skill to read people's minds and tell people if the next thing they do is going to be bad or good. He is a kind and caring person to anyone and anything that needs his help.
