

BulletProof

BULLETPROOF is a very strong and fun hero. He's the type of person, who doesn't say much but he rescues people a lot. The way he looks is gold and black the gold makes him look bold because gold is a very bright colour.

He also has black suit as well. The reason why it's gold and black is because as you know, gold is bright and black is dark. His suit shows the meaning of "WAR AND PEACE".
